

## *Automotive Chemicals – Technical Sprays - Cleaning*

Version: **TS/026**

# **Valvoline™ All Purpose Cleaner**

High quality citrus cleaner to remove grease, tar, oil, wax ink, resin, stickers and residues of glue from parts of treated and untreated metal, wood, stone and various types of plastic.

---

### **Applications**

Machine parts  
Garden tools  
Garden furniture  
Wooden parts  
(Car) Windows  
Floors and walls  
Axles

### **Product characteristics**

High dissolving properties  
Leaves no residue  
Slow evaporation  
Non-corrosive  
360° valve

### Directions for use:

Before use, carefully read the directions on the packaging.

Valvoline™ All Purpose Cleaner should be at room temperature before use. The processing temperature should be between 5 to 30°C. Shake before use.

Before treatment, cover conductive parts and switch off electrical installations.

Spray parts to be treated and allow to take effect. Remove contamination with a clean, non-fluffy cloth or tissue.

For parts of treated metal and plastic, we advise to test the compatibility.

# PRODUCT INFORMATION

**This information only applies to products manufactured in the following location(s): Europe**

## Health & Safety

This product is not likely to present any significant health or safety hazards when properly used in the recommended application and good standards of personal hygiene are maintained. Reference is made to the Safety Data Sheet (SDS) which is available on request via your local sales office or via the internet <http://sds.valvoline.com>

## Protect the environment

Take used chemicals to an authorized collection point. Comply with local regulations. Do not discharge into drains, soil or water.

## Storage

We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60°C, exposed to hot sun or freezing conditions.
